Sunfish make the most of a mild day 11/15/2015

After several racing days where skippers had to hold on tight, Today's mild conditions were a welcome relief. Winds were 5-10 knots, shifting from the North and West. In the last race for the day, the Race Committee decided to mix things up by putting the mark between the docks of the Edgewood Yacht Club marina. A challenging maneuver to do with many boats in close quarters!
